The question of the Municipal Council to employ 12 more sweepers (There are already 8 sweepers) on Rs 10 p m for the four lorries of the Health Deptt might appear that it will be met out of the provision of Rs 1500 made in the current year's ME Budget under "maintenance of lorries"

A copy of the Health Officer's report and that of the Council resolution referred to above are herewith forwarded for favour of obtaining the sanction of Government to the resolution of the Council

I have the honour to be,

34 Opinion of the Managing Committee dated 24-8-1944 sanctioning the appointment of 12 more sweepers at a cost of Rs 1,440/- per annum for the lorries of the Health Department

Mr H C Suryanarayana Rao said that such piecemeal proposals were no good and they might obtain sanction for a consolidated list

Mr M K Narayana Iyengar observed that the Council had sanctioned the entertainment of extra staff in the Budget meeting and that the work may be got done by the sanctioned staff instead of getting more hands

Mr D Venkataramanappa supported the opinion of the Managing Committee and said that in the interest of efficient discharge of the duties, they might sanction this

Then, the opinion of the Managing Committee was put to vote and passed, 11 voting For and 8 Against it

Memo No. H2-72/43 dated 23rd May 1944 from the Health Officer, to the Municipal Commissioner, Bangalore City

From the statement of the Establishment of lorry section, I find that 8 sweepers have been sanctioned for the lorries of the Health Department There are 4 lorries, of which only 2 are in use A new chassis has recently been purchased for the construction of its body, at a cost of Rs 1800/- has also been approved by the Council at its last meeting

It is not understood on what basis 8 sweepers for four lorries have been sanctioned This works out at 2 sweepers per lorry By experience it is found that 4 sweepers are required for each lorry over 1½ tonnage and 3 sweepers for a lorry of 1 ton Otherwise it is never possible to load rubbish quickly into the lorry

I therefore propose that 12 more sweepers may kindly be sanctioned for the rest of the lorries at a cost of Rs 1,440/-per annum 4 sweepers will be appointed soon after the new lorry is ready for - service If necessary, the subject may kindly be placed before the Council for approval
